Foam Free

Foam Suppressant for Spray & Dip Tanks

ACTIVE CONSTITUENT:
POLYDIMETHYLSILOXANE COMPOUND

GENERAL INSTRUCTIONS

Smart Foam Free is a special purpose foam suppressant for use in agricultural chemicals sprayers and also for use in dip tanks commonly used in the grading of pome and stone fruit. In situations where agricultural formulations and surfactants are under agitation during tank filling large amounts of foam can form. Smart Foam Free should be added to the tank before foam levels build to excess so that filling can continue.

MIXING INSTRUCTIONS

Shake container before use.

Smart Foam Free can be pre diluted 1:5 in water or added directly to the spray tank.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

Do NOT contaminate streams, rivers and waterways with the chemical or used container.

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN Store in the closed, original container in a cool, well ventilated area, as cool as possible. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Combustible liquid. Keep away from heat, sparks, open flames and hot surfaces. – No smoking. Do not swallow. May cause damage to organs through prolonged exposure. Avoid contact with skin or eyes, causes irritation. Do not breathe fumes, mists, vapours or spray. Wear protective gloves, cotton overalls and goggles or face shield. Wash hands and contacted areas thoroughly with soap and water after use.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Australia 13 11 26). If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

SAFETY DATA SHEET

Additional information is listed in the Safety Data Sheet, which is available from the supplier.

CONDITIONS OF SALE

The use of Smart Foam Free being beyond the control of the manufacturer, no warranty expressed or implied is given by Crop Smart Australia Pty Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and Crop Smart Australia Pty Ltd accepts with no responsibility for any consequences whatsoever resulting from the use of this product.

DIRECTIONS FOR USE

Situation	Application Rate per 1000L	Use rate will vary dependent upon amount of foam present.
Agricultural Spray Tanks	20m L	Where large quantities are forming better control may be achieved by pre-diluting Smart Foam Free 1:5 in water before addition to tank.
High agitation conditions	1000mL	Add Smart Foam Free before foam levels are high.
Dip tanks for fruit	20m L	Vary usage as required.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.
