

Why Communities Matter

Our Communities Matter initiative offers groups and clubs the opportunity to access financial assistance to support events and programs that benefit the community.

Crop Smart's Communities Matter initiative aims to add value to the communities in which many of our staff, partners and customers live and work. If your group or club would like to apply for Sponsorship from Crop Smart, please fill out the application below:

Dear Crop Smart,

We the _____ would like to nominate our community group to be part of your Communities Matter initiative. We have been operating for _____ years and provide the community with opportunities to _____

In the event we were to benefit from the Communities Matter initiative we would use the funds towards

Yours sincerely,

Name: _____

Signature: _____
