

Crop Smart Fishing Day Participant Information

Friday 22nd December 2023 from 7.30am-12.30pm

Location:

Bring your own boat and meet us at either the Wallaroo or Port Vincent boat ramp. If you don't have a boat, let us know and we will do our best to find you a spot. Drinks and presentations will be at the Tav (Wallaroo) or Ventnor Hotel (Port Vincent) after the event.

Entry Fee: \$10 donation to Fat Farmers

Your entry fee includes:

- Crop Smart Fishing Day shirt (subject to sizing availability)
- Crop Smart stubby holder
- Fishing measure sticker
- The chance to win some awesome prizes!

The prizes:

For a fish to be entered into one of the below prize categories it must be:

1. Caught between 7.30am and 12.30pm on the day of the event
2. Caught on a boat launched from either Wallaroo or Port Vincent boat ramp

Each fish can only be entered into **one** of the below prize categories.

The Prize categories are:

- Biggest whiting:
 - To enter this category take a photo of your biggest whiting against your Crop Smart fish measure.
 - Prize: Storm GoMoKu Rod and Daiwa Aird 3000 reel
- Mystery size fish:
 - The Crop Smart team have selected a mystery species and length of fish. To enter this category take a photo of each fish you catch against a fish measure. The person with the fish closest to the size we have selected, wins!
 - Prize: Carton of Crop Smart Aussie Ale.
- Quickest bag out:
 - To enter this category you must alert a member of the Crop Smart team that you have bagged out on whiting or take a photo that shows the time that you bagged out. A Crop Smart team member will count and verify your catch.
 - Prize: A Crop Smart cooler bag and a 6 pack of beer for each person on the boat.
- Best photo:
 - To win this category we're looking for the best photo of the day!
 - Prize: A blue Crop Smart esky filled with beers.
- Biggest Whiting - Under 18s
 - Crop Smart cooler bag

General Fishing Day rules:

- All participants must comply with South Australian recreational fishing and boating regulations, and South Australian fish species size and bag limits must be adhered to.
- Responsible and ethical fishing practices are expected from all participants.
- Participants are responsible for their own safety and equipment.
